

I would like to extend my heartiest congratulations to the Beware Wet Paint Progressive Art School as you celebrate your 10th anniversary.

The liberal teaching philosophy and enriched curriculum of Beware Wet Paint Progressive Art School that encourage development in both original creativity and technique has inspired many young artists to accomplish great success. I am truly delighted to see students are offering their talents in community and charity work.

Congratulations to all your accomplishments over the past ten years and putting together this Creative Art Show to showcase the talents of the student. It marks another milestone in your journey to success. Keep up with the magnificent work!

Sincerely,
